Construction has started, but you still have time to select 100% of your interior finishes, including cabinets, tile, countertops, hardwoods, and more. This stunning American Cottage version of our Coronado floorplan is located in Huntersville, NC at Huntson Reserve, just minutes from shopping, dining, and recreation at Lake Norman. While construction has started on this home by Charlotte's locally owned, and nationally recognized luxury homebuilder, there's still time to select 100% of the interior finishes, including paint colors, cabinets, counters, tile, flooring, interior trim and doors, appliances, plumbing fixtures, light fixtures, door hardware, and more! This is a "Your Way" inventory home, which means the inside has been left completely untouched so that you can personalize it how you want. You'll get to create the home of your dreams, making selections from hundreds of premier options in the Design Studio and working one-on-one with a Design Consultant—creating your home, your way. The price includes design dollars to complete your home with luxury finishes and options. Start now and move in before the
